If you pay tax above the basic rate, you can personally claim the difference between the rate you pay and basic rate on your donation (25%). You can do this either through your self-assessment tax return, or by asking HMRC to amend your tax code.

Note: Please do not fill in a Gift Aid declaration if you give via a pre-tax Payroll Giving scheme as you are giving 'pre-tax', and thus we cannot claim tax back on the gift.

Payroll Giving via your Employer

Many employers offer Payroll Giving, which allows you to give directly to Bright City Church from your salary before tax is deducted. This means if you give £100 per month and are a basic rate taxpayer, the gift will only cost you £80 from your net pay. If you pay a higher rate of tax, £100 a month will only cost you £60 from your net pay. To find out if your employer offers Payroll Giving, contact your HR office.

Charitable Aid Agencies

You may wish to give to Bright City Church via a charitable aid agency such as Stewardship, CAF, Charities Trust, or Charitable Giving. These agencies are useful for those who give to multiple charities and wish to have their giving recorded in one place or for those who wish to give anonymously to Bright City Church.

Leave a Legacy

If you are considering making a bequest to Bright City Church or have already included a gift to Bright City Church in your will and would like to speak to someone about legacy giving, then please contact us.
